## EMILY'S STORY

**Name and role:** My name is Emily and I'm an events volunteer in Glasgow

**How long have you been a volunteer:** since summer 2021

**Why did you decide to volunteer:** I wanted to be involved in something in my local community and give something back. Also to help build my confidence when meeting new people.

**What do you enjoy most about volunteering:** I love meeting new people and trying new things. I love watching members grow from being a shy new member to the life and soul of the party.

**What benefits have you experienced:** This opportunity helped me get my current job which I love!
